

Autumn Has Arrived!

I think we can safely say that our summer is well and truly over and that Christmas will be upon us before we realise!!

Here at Puro we have been busy sorting out a new Website so that it has become more friendly to use on all applications such as tablets and phones, not just on computers. It has a price list, which you can now download and print yourselves and also a new page called promotion and news. This page will give you offers for the month, up and coming Events and any general news. So it's good to have a look now and again to find out what's happening at Puro.

Great News! On Wednesday 7th October Puro is having a shopping day. We thought we would do it early this year, as I know how much mayhem December is for everyone.

There will be drinks (wanted to say wine, but for those of you picking up children, not so good) and nibbles in the afternoon and evening. Sally of S J Accessories will be here with her beautiful silk, wool and chiffon scarves, also her lovely handbags of all colours and shapes for all occasions.

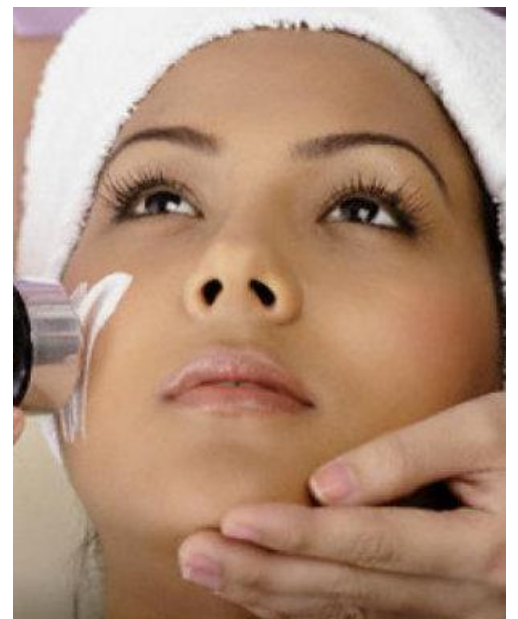

Sally will be giving a 10% discount on the day. Puro will also be giving 10% off stock and 15% off any single treatment*. So if you are looking for those Christmas presents, or just need to top up on products why don't you put it in the diary and come along with a friend.

I would also like to announce our Event days.

On Thursday 19th November, Chloe from Environ will be with us to analyse your skin and give you advice on treatments that could benefit you and address any concerns you may have. As we now do all the treatments that Environ offer there is a facial or treatment for all skin types. We are taking bookings from 1pm through to 7pm, there is a £20 deposit

which is refundable on any products bought on the day. There will be 20% off any single Environ facial and if a course of treatments is bought an extra 10% is taken off the full course

***This does not include permanent make-up or CST treatments**

You can see the amazing range in its entirety

We also have a V.I.P make-up day, on Monday 14th December from 10am through to 5pm.

This means that everyone has an individual make-up session, which is an hour long.

You can ask for whatever look you want, or help with the application of foundation or how to do eye make-up that gives you that Smoky Look, or any other problems you have.

The full range of Jane Iredale make-up will be available, so you can see the amazing range in its entirety. Including the new colours and lip crayons.

Your help, please

On a more personal note - sometimes we would love to hear from you with your thoughts on how we can make your experience at Puro more enjoyable.

Have any of you got any ideas as to how we can add treatments that you think are missing, packages that we could include or what you as a client would like to see in place at the salon.

Your feedback, good or bad, is always welcome and helps us to make your Puro experience even better.

Last Chance on Our September Offer!

Just to remind you that our free Express Manicure Offer will be finishing at the end of this month.

To qualify all you need to do is book just one facial in September, so why not treat yourself to a facial AND a free manicure/pedicure - there's still time.

Spray Tanning Coming!

We are moving forward with our plans to introduce a Spray Tanning Room for Clients

This will be located in a new salon area which is being refurbished. Inevitably there are various logistical challenges but we are working on these and will have further updates shortly.

"I wish everyone a great Autumn and Halloween and hope to see you soon."

Sue Byrne
